About the project

# Are you an office administrator or a VET student in the area of office administration?

Are you a personal assistant, executive secretary or administrative personnel?

Validate your **Competences and** get ISO Certified!!

### EupaNext is for you

Research demonstrates that the sector of office administration is important and very popular, it will continue to be one of the first professions in demand until 2020.

EUPA NEXT is the continuation of the successful project EUPA (Leonardo DOI) that has developed a qualification framework for administration personnel in four EQF levels (levels 2,3,4 and 5) and the assessment tool and training materials for level 2.

EUPA\_NEXT aims to assign credits to the qualification framework (levels 3-5) using ECVET and develop curricula and training materials for trainers as well as e-books for learners. EUPA\_NEXT will certify all curricula and training materials with ISO. Additionally, it aims to develop an assessment for certification of all the levels 2, 3, 4 and 5. It will be ISO-certified with a relatively new standard ISO17024 that certifies personal competences.

Through EUPA\_NEXT you can receive the necessary training either in a classroom environment or through the use of ebooks, take an assessment and validate your knowledge, skills and competences.

What can EupaNext Offer you

A qualification framework for administration personnel in four differ-

ent levels which is based on research. The qualification framework presents the knowledge, skills and competences administration personnel should have in different EQF levels.

Therefore now you know what knowledge, skills and competences you should have and how you can progress between the levels.

### ISO Certified Training Curricula for each of the units identified in

the qualification framework (in four different EQF levels).

essary knowledge, skills and competences.
