Dear partners,
Concerning the research part of the project, I would like to bring to your attention that it is essential for you to fill in the questioners.
I do understand that the questioners may be long, but we all have to make an <b>effort</b> to complete them. In the case of groups with special requirements, please bear in mind that when a trainee is not able to fill in the questionnaire, the trainers can always <b>interview</b> him/her using the questions on the questionnaire.
Please send the completed questioners as soon as you complete the workshops.
Hope your workshops will be successful!
Thank you for your time,
Evi
