Description of the exercise/Procedure	This exercise is to be done in two phases: <ol style="list-style-type: none"> 1. At the beginning of the unit, where the “methodological tool” slide is presented, one handout will be handed to each participant. They will be required to answer the questions, without knowing the appropriate ways of evaluating themselves. At this phase, they are going to keep their answers and they are going to reflect on them afterwards 2. After the completion of all the unit’s slides, ask participants to reflect on the answers they provided before the knowledge
